THE MAIN OBJECTIVE OF THE EVENT: On the eve of INTERNATIONAL TIGER DAY, it was important for RCMSIT to make some efforts in preventing the Tigers becoming more and more endangered day by day.

RCMSIT thus came up with the idea of "Roarr". We identified an underprivileged school to start with. We decided to do this event with the students of Vani Sadan. We reached their as early as 8.30 a.m. and arranged for a short movie session to make them aware of this alarming Tiger issue in an entertaining way. We talked a lot on Save the Tiger.

The children were also given tiger masks so that they could relate more to the event and carry this home as a memory of this day. The children enjoyed the session very much and also participated vibrantly in making the Saturday morning of the Rotaractors worthwhile of letting go of the early morning sleep.

OUTCOME OF THE EVENT : Students were enlightened about the problem of tiger extinction in recent days.
