THE MAIN OBJECTIVE OF THE EVENT: Kolkata is rich in heritage and sites of knowledge. There are many places in Kolkata where a small 2 hour tour will help you gain a lot of knowledge about a lot of things. One such place is the Indian Museum. Inside its rooms it holds the mysteries to various ancient civilizations and a lot about how we and our surroundings came to be the way it is now.

On a rainy Sunday morning RCMSIT members decided to go out for a tour of the Indian Museum. Many members of the club had never visited the Indian Museum and hence we decide to take them on a tour of the same. We reached there at 11a.m. and stayed there for around 3 hours. We toured the entire museum. For those of us who have already seen it, it was kind off a repetition but we still enjoyed a lot when we saw our juniors enjoying the tour. Overall it was a great experience and also an occasion for RCMSIT members to hang around together.

OUTCOME OF THE EVENT : These kinds of tours not only increases the unity among club members but also helps to provide an opportunity to gather knowledge. Overall it was a Sunday well spent.
