THE MAIN OBJECTIVE OF THE EVENT: "Communication - the human connection - is the key to personal and career success."

In order to know the people, who are willing to work for ROTARACT as a team, RCMSIT organised a PI session before inducting new members.

It was a week-long event starting from 11-15 September where we divided our members in 4-5 panels consisting of almost 6 Rotaractors. Each panel interacted with each of the first year students, who are willing to join RCMSIT, asking them about their hobbies and interests and also why they wanted to join Rotaract.

It was a good and interactive session.

OUTCOME OF THE PROGRAMME: To know and enlighten our future members of the club.
