THE MAIN OBJECTIVE OF THE EVENT: All people make a wish and hope to fulfil it in a lifetime. But wishes are only granted in fairy tales.

In order to create a fairy tale world for some differently able underprivileged children, RCMSIT joined hands with Sanchar India and came up with the Wish Tree on 25th and 26th October.

It was an initiative to fulfil some of the wishes of these children by raising fund. Their wishes were put up on the tree and the tree was placed in the premises of Meghnad Saha Institute of Technology. Our members went to different classrooms and also approached the teachers of all departments and ask them to contribute. Many teachers and students came up and donated money for this good cause.

We hope with the constant support of our members, we can carry on this project every year.

OUTCOME OF THE PROGRAMME: A few wishes of the underprivileged children were fulfilled.
